This certificate only certifies the authenticity of the signature and the capacity of the person who has signed the public document, and, where appropriate, the identity of the seal or stamp which the public document bears.

This certificate does not certify the content of the document for which it was issued.

This certificate is not valid for use anywhere within the United States of America, its territories or possessions.

This certificate constitutes an Apostille under the ***Hague Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents,*** only if the Convention is in force between the United States and the country where it is to be presented.

If not an Apostille, this certificate remains subject to applicable additional authentication requirements.
